How Do I Register?

Register Early
The decision to hold classes is determined at least one week prior to the start of the program. Therefore, the Recreation Department needs an early indication of how many people will be enrolled in a particular program. If classes do not meet the minimum registration requirements, they may be cancelled or combined.

Why Register Online?
- Online registration is safe and secure.
- Instantly know program availability.
- Track your family’s participation and history.
- There is no need to fill out registration forms, initially or time after time.
- Monitor and/or manage your daily, weekly or monthly activity schedules.
- Register and pay at your convenience—anytime, anywhere—and immediately receive a receipt.

Recreation Department Policies

Registration Policies
• Registrations are processed on a first-come, first-served basis, with this exception: registrations received prior to the designated registration dates will be kept in our safe until the designated registration date.

• Register early! Nothing kills a recreation program faster than residents who wait until the last minute to register. There is a point when a program must be cancelled or modified is there is insufficient registration. All programs require a high level of coordination, often including facility scheduling, staffing, volunteer recruitment and purchasing supplies.

• Registration Expectations: A minimum and maximum numbers of participants are required for each program. These guidelines are necessary to ensure the best possible instruction for each participant. The department may increase or reduce program size if necessary.

Where enrollment is low, the Recreation Department reserves the right to cancel a program. Program cancellations due to low registration will be made at least two (2) days before the start of the program. Participants will be notified by the Recreation Department and will receive a 100% refund of the program fee.

• Do I pay resident or non-resident fees? If you pay your residential property taxes to the Village of Sussex, you are considered a resident. Any taxing municipality outside the Village of Sussex is non-resident. Unfortunately, being in the Sussex Hamilton School District or having a “Sussex” mailing address does not necessarily mean you are considered a resident of the Village. Non-resident participants pay higher fees because a portion of the Village of Sussex property taxes is designated to pay for the buildings, parks, instructors and administration of recreation services.

• Individuals under age 18 must have parent/guardian signature on registration in order to participate.

• Individuals are placed on waiting lists if their requested program is full. If space becomes available, we will call individuals on the waiting list.

• Registrations are not processed if an incorrect payment accompanies the registration form. We will not reserve spots open until full payment has been received. Inadvertent overpayments are placed on the payee’s ACTIVE Net registration account.

• Do not participate in a program you are not registered for.

• If a payment is returned as “non-payable” for any reason, there will be a charge of $30 for each returned submission. Accounts are suspended and individuals are removed from program rosters and must not attend any further classes until issuer pays in full the balance due plus all accrued service charges.

Refund Policies
• Customers seeking refunds have two options. One is to receive a refund in the original form of payment. The second option is to place the refunded amount on your ACTIVE Net registration account to be used for future recreation programming fees. Money placed on your ACTIVE Net registration account does not expire. Program registration cancellations requested prior to the registration deadline will receive a refund minus a $10 administrative fee. If the refund is placed on the ACTIVE Net registration account, only a $5 administrative fee will be assessed.

• Program registration refund requests can be made up to one week past the program start date. Should the request be approved, a refund will be made minus a $10 administrative fee. If a refund request is made for which the Recreation Department has incurred expenses on your behalf, a refund may not be granted. Expenses may be but are not limited to: uniforms, equipment, supplies, etc.

• Online convenience fees are non-refundable.

• Program registration refund requests that are submitted after the first week will only be considered with a physician’s note stating the patient is unable to participate in the activity that is required. The refund will be pro-rated based on the date of the physician’s note.

• Once a program begins, registration remains open at the advertised registration fee as space allows and with instructor permission.

• Refunds will not be made for individual absences (i.e. illnesses, vacations, etc.) and cannot be made up nor may you participate in a class other than the one you are registered for.

• Trip cancellations must be made prior to the registration deadline date. Any trip cancellation received prior to that deadline date may receive a refund, minus a $10 administrative fee. Cancellations requests received after that deadline will only receive a refund if a replacement is found. The $10 administrative fee will still apply.

• The Parks & Recreation Department will try to reschedule a make-up class if a program has been cancelled. There will be no refund if a class cannot be rescheduled or if a participant cannot make the rescheduled class.

Registration Modifications/Transfers
Modifications to the original registration must be made in writing and are subject to a $5 administrative fee per transaction. These may include but are not limited to transfer to another session or program, removal of Before or After care for Day Camp, etc. All assessed fees must accompany the written request. An example of a modification or transfer would be if a child is registered for the first week of Day Camp and wants to transfer to Week 6 of Day Camp. This would also apply to any adjustments made to Before or After Care for Day Camp.

Program Information Distribution
The Parks & Recreation Department direct mails three seasonal Recreation brochures per year to all residents in the 53089 zip code, along with portions of Merton, Hartland, Colgate, Richfield, Pewaukee, Menomonee Falls andannon. In addition, copies of the Recreation Brochure are available at the Pauline Haass Library and Sussex Civic Center, or on the Village of Sussex website. Unfortunately, we do not mail individual copies upon request.

Adverse Weather Condition Guidelines
If adverse weather conditions exist and the Sussex Hamilton School District has closed its schools or cancelled their activities, the recreation programs and events are cancelled. When the District is no longer in session, the weather delay or cancellation announcements will be posted as listed below.

Should adverse weather conditions be imminent or exist, recreation staff will post notification of the cancellations/changes in the most effective manner. The responsibility lies also with individuals to inquire about potential closings or cancellations. Every effort is made to give reasonable, prudent and advanced notice to registered participants by any of the following: Facebook and Twitter; www.villagesussex.org, taglines on local TV stations; email to registered participants. We DO NOT call individual registered participants to announce cancellations or changes.

Insurance/Liability
Activities are conducted in a safe manner. There is an inherent risk of injury when choosing to participate in recreational activities. The Village of Sussex does not provide hospital/medical insurance coverage for persons participating in our recreation programs and events. Participants are encouraged to obtain their own insurance coverage prior to and for the duration of the activity they take part in.

Americans with Disabilities Act
The Village of Sussex will make reasonable modifications to support inclusive recreation participation. We request ample notice regarding special assistance requests; this will allow us proper planning time to accommodate needs. If you require special accommodations in order to participate, please inform us when you register.

Program Observation
In an effort to better promote a positive learning environment for programs, only registered participants are permitted in the program area. Our instructors welcome the opportunity to discuss participant’s progress with parents after class.

Sharing Personal Information
The personal information provided to the Sussex Recreation Department on the registration form is used solely for the purpose of participating in Sussex Recreation programs. The Sussex Recreation Department will not share information with outside parties.

Say Cheese!
Our Recreation Department periodically takes pictures of participants in our classes, during special events, and in the Village’s parks. Please be aware that these photos are for recreational use and may be used in the Village’s brochures, pamphlets, flyers, or Web site. You must give us written notice if you or your family members do not want to be photographed or published.

Announcements
• Smoking and alcohol are strictly prohibited in any Village-owned property.
• No guns or weapons are allowed in any Village-owned building.

Lost and Found
The Recreation Department is not responsible for any items lost or stolen during participation in any Village-sponsored activities. Any found items are taken to the Sussex Civic Center. Any unclaimed items are donated to a local charitable organization at the end of each season.

New Program Ideas
The Parks & Recreation Department is always receptive to suggestions for the development of programs. A program proposal form must be completed to provide preliminary information. The form is available on the Village of Sussex website.

Code of Conduct
Recreation programs can be used as an opportunity for people, young and old, to learn how to engage in healthy activities while maintaining respect for themselves and other participants. Benefits are derived from the participant’s attitude toward the program and the adherence to accepted standards of behavior.

Parent & Guardian Policy
A parent or guardian must be present in the immediate class area for all programs involving children ages 5 and under. The complete Code of Conduct and Parent & Guardian Policies can be reviewed at www.villagesussex.org. By participating and authorizing participation in Sussex Recreation activities, programs and special events, individuals agree to adhere to the policies set forth.

Program Errors/Changes
Occasionally there may be a misprint within this program guide. We will make every effort to correct the error as soon as possible. The Parks & Recreation Department reserves the right to cancel, postpone, combine classes, change program locations or times for various reasons. Notification will be given in the most efficient manner possible.
Join the Volunteer Organization of Women in Sussex (VOWS) in supporting the children in our community and Sussex Outreach Services (SOS).

Drop off new or gently used costumes and accessories at Sussex Outreach Services.

Donations should be clean and ready for immediate use with multi-piece costumes packaged together.

Monetary donations also accepted. For more information, call Denise at (262) 617-7387.
